**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a very happy customer of sonic. If you are not familiar, they are a company who provides internet services via fiber cables. My internet is typically fast, reliable, and cheaper than when I used xfinity.

In summation, I would be at a huge disadvantage if they were chased out of the market place.

Thank you.
